Ray Stanwix-Hay

My name is Ray Stanwix-Hay. I am a cradle Episcopalian. As a child, I attended St. Stephens Church in Jacksonville and at age 14 moved to the Church of the Good Shepherd. Proudly, I am an Eagle Scout. I was lay reader (lector) at Good Shepherd from age 15. While at the University of Florida I served at the Chapel as a lay reader and acolyte.

I met my wonderful wife, Peggy, in Palatka on Ash Wednesday, when she wiped the "dirt" off my forehead. We were married in the Church of the Good Shepherd on February 14, 1969. Peggy started teaching in Bradford County and we attended St. Marks in Starke for many years. While there, I served as a lay reader, and chalice bearer, officiating at

morning prayer and taking communion to shut ins. During my time at St. Marks, I served Christ Church, Cedar Key with morning prayer and got my first experience at preaching. While at St. Marks, I also served on the vestry multiple times and was senior warden twice. Also, while at St. Marks, Peggy and I attended Episcopal Cursillio #30 in 1983. I was privileged to be Rector of Cursillio #46 in the Episcopal movement and subsequently, Rector of Weekend #50 in the Via De Christo movement.

After wandering in the wilderness for several years, we came to Holy Trinity, as we had friends here from Cursillio. The welcome we received was unbelievable. I would never have believed that such a large church would be so welcoming and warm. We are all in at Holy Trinity—Peggy delivering flowers and I am serving as a lector and calicifer, working in the office and am now on the Board of Holy Trinity Episcopal School.

I am retired after 45 years in the workforce.
